Call to Action: Illegal detention of a minor.

Miss Asal Nahi is a fifteen-year-old girl from Tabriz, Iran.

She was arrested during a protest for women's rights in Tabriz by the Islamic Republic security forces in late September 2022 and taken to the central detention centre in Tabriz.

Asal has been held without charge for over 27 days in jail. We do not have any updates on her physical and mental well-being. Beatings, torture, and rape are common in Iranian jails, especially for those whom the security forces and government label as anti-government.

Asal is a minor held without charge. We ask for your immediate support in helping with her unconditional release and safe return to her parents.

Yours Sincerely,

Mrs Azadeh Jassemi (Coaching@azadehjassemi.com)
